Vicki Watson
Adviser

Vicki is a Chartered Financial Planner, who joined clarity in 2019, and specialises in lifestyle financial planning for high net worth individuals. Combining technical expertise with a pragmatic approach, Vicki is skilled at helping clients navigate changing circumstances.

For the first 10 years of her career, Vicki worked as a fund manager specialising in Asian equities. Following a career break to look after her young family, she returned to financial services in 2015 to retrain as an adviser.

As well as holding Chartered status, Vicki holds the Investment Management Certificate (IMC), parts one and two of the Chartered Financial Analyst qualification, and is a Fellow of the Personal Finance Society. Upon achieving her fellowship in 2019, Vicki won the award for the highest marks obtained in completing the qualification within the Chartered Insurance Institute of Guildford.

Vicki is married with two sons and a dog (who collectively keep her busy!), speaks conversational Japanese, and is a keen runner who can often be found running in the Surrey hills.
